INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 CFR § 1.56, applicant(s) submits herewith the identification of patents, publications or other information of which they are aware, which they believe may be material to patentability and in respect of which there may be a duty to disclose.

Applicant(s) respectfully requests that the information enclosed herein be considered by the examiner in the above captioned application and be made of record therein.

Applicant(s) believe that the information enclosed herewith is submitted in accordance with 37 CFR § 1.97(b). Accordingly, no fee is required for consideration of the information disclosure statement. However, any deficiency in government fees should be charged to deposit account 05-0845.

Inclusion of a reference in this Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such, nor that any cited reference discloses anything other than what is shown and stated therein.

The filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists.

The filing of this Information Disclosure Statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in § 1.56(b).

This statement is made by the attorney who signs below on the basis of the information supplied by the applicant(s) and the information in the attorney's file.

Respectfully submitted:
